CIBSE/SLL International Lighting Conference, Croke Park, Dublin – 12 April 2013

The CIBSE/SLL international lighting conference is a truly all-industry event involving collaboration between all the leading lighting industry representative bodies. Main sponsor is SEAI and it is facilitated by DIT. However, delegate sponsors are also extremely supportive of the initiative and those already committed are listed below.

All papers and presentations will be available to sponsors and delegates through an online system as used by the *SDAR* Journal*
